AUTOS FROM FLORIDA

J. P. APPLE AND PARTY MOTOR THROUGH SOUTHERN STATES TO CALIFORNIA

After an extended trip through the South and East, Mr. J. P. Apple of 146 Orange Street, arrived in Glendale about the middle of May. For some time previous to the start of the return journey the Apple party consisting of Mr. and Mrs. Apple and their little daughter, a girl of eleven years had been traveling by auto through the eastern states. They had spent some time in New York and enjoyed every day and hour in that most interesting city.

Washington, D. C., was another point that interested the party greatly and they thoroughly explored every nook and corner of the national capital. Returning from Florida the party which by this time consisted of the Apples, their chauffeur, Ralph Miller and a Mrs. Linton, began to enter on the full enjoyment of their trip, which occupied more than a month. They passed through Florida, part of Georgia, back into Florida, through part of Alabama, into Mississippi, Louisiana, Texas, New Mexico, across Arizona to California, up through the Imperial Valley to Glendale.

"Quite a journey," said Mr. Apple, "but one I would not have missed for anything in the world. We stopped every night at some hotel or other, sometimes making as much as 200 miles in a day, sometimes only 130. We laid up for three days first in Jacksonville, Fla.; second in Houston, Texas; and lastly in El Paso, Texas. Mobile, Alabama, was a city that charmed all of our party; its old streets and its general oldtime air were very attractive. New Orleans was enjoyed very much; Galveston was a revelation to us with its fine sea front and its modern buildings.

"In the course of our journey we crossed eighteen ferries. Each of these crossings cost us from $2 to $7.50. Some of these ferries were only 150 feet across; others were much wider. Some of the rivers were swollen with floods and the Indians who towed our autos over would go plump over the head in deep holes and have to swim Altogether there was much variety in our experiences.

"Some portions of the road were very miserable, others excellent. Parts of the Florida roads are equal to any in the United States. Florida has enormous mounds of ancient shells scattered in every direction. This ancient, prehistoric shell makes the very best kind of road. Smooth, hard and without holes. Where newer shell has been used the sharp edges made bad cuts on the tires. Some of the Florida roads were wretched on account of sand.

"Among other places passed through were Pass Christian, Miss., where President Wilson goes for a vacation occasionally. All the way from Gulfport to this part of the country the landscape is most charming and the crops in excellent condition.

" On the way we helped many autos that were in difficulty. Our own auto, an 8-cylinder Cadillac was never in difficulties but twice, once on the borders of Arizona where we found the ferry broken down and had to hunt along the river for a crossing; got into the mud and hauled ourselves out with our own block and tackle. At the Gila river we were delayed almost fifteen hours by crumbling banks and swift current. In all our crossings, and ferryings and drivings our radiator never boiled.

"We found that roads were being built in many parts of the southern states and where they were finished they were excellent. We never had a drop of rain all the way. The roads in Louisiana were wretched. There is much sugar growing there and the roads of soft mud were terribly cut up.

"North Carolina we found prosperous. The weather there has been favorable for crops of all sorts; tobacco and cotton have paid well. Georgia was in good condition; but South Carolina was in poor shape. Virginia was in excellent condition; but Florida, the land of the Everglades was in wretched shape especially on the reclaimed land. The soil there where drained is deep sand or rather silicate of the most barren kind. It needs from $60 to $75 worth of fertilizer an acre to make it grow anything; and then the same fertilizing process has to be gone through again every year. In some spots about Fort Lauderdale we saw where they had been compelled to throw out their fine crops of grape fruit. The neighbors came and carried away the rejected fruit in wagons.

" We found the country round Phoenix and in part of Texas flourishing. The cattle were in great shape and apparently the farmers had harvested many crops of the best alfalfa. In this quarter we saw at least fifty miles of land the productive qualities of which must be inexhaustible. In every way we were glad of the trip we made. Its interest will never fade for us and all of it was of a specially educative nature. Up through Imperial Valley to Glendale we found things flourishing. After all the vicissitudes of our journey we are glad to rest in this beautiful spot.

HOW TO GET VOTES

BELIEVE IN YOURSELF; MAKE EVERY EFFORT TO WIN CHOICE OF PRIZES

Bonus Vote Offer

An extra inducement is offered to candidates who begin work at once Fifty thousand extra votes will be given with every club of six new subscriptions turned into the Evening News office for the Glendale Evening News or the Tri-City Progress between Wednesday, June 30, and Thursday evening, July 15. These votes are in addition to the regular votes issued. All new subscriptions already turned in by candidates will count on this offer.

The person who wins The News' First Grand Prize—the $850 Maxwell automobile must procure the largest number of votes, and to get these votes you must secure subscriptions to The Glendale Evening News or The Tri-City Progress. In other words, your campaign resolves itself into the question of getting subscriptions.

First—make up your mind that you can win the automobile—believe thoroughly in yourself and in your ability to get the largest vote. Familiarize yourself with The News--learn its good points. Be able to tell the prospective subscriber that in Glendale's only daily paper he will receive the local and civic news each evening, that society events such as weddings, parties, club meetings, are reported. That correspondence is published from Tropico, North Glendale, Casa Verdugo, Burbank, Eag'e Rock, La Canada, Little Lands, etc., and that full reports are given of local civic bodies, such as the City Councils, Chamber of Commerce meetings, etc.

You will find you can interest scores in News and Tri-City Progress if you will plan and make a thorough campaign for all subscriptions.

LITTLE LANDS

The Glorious Fourth was celebrated in the Monte Vista Park under the auspices of the Monte Vista Valley Band, who were resplendent in their new uniforms, and their playing under the direction of R. Walter Maygrove was universally commended.

The day opened with an automobile parade from Littlelands to Monte Vista Park, the automobiles kindly lent by the friends of the band. The address was given by Mr. M. V.Hartranft, in the absence (owing to indisposition) of John S. McGroarty, the invocation was given by the Rev. Mr. Goddard and Mrs. Goddard, visitors in the valley from Iowa.

At noon the lunch was done justice to and in the afternoon the base ball game and other sports were highly interesting. The musical feature of the day was the Youngest Brass Instrument Trio in the world, who challenge all comers in point of ability commensurate with their age, 10 years, 8 years and 7 years.

Selection by the youngest trio of brass instruments in the world. Gladys Maygrove, Cornet, Russell Blumfield; Cornet; Constance (Bing) Maygrove, Baritone.

In the evening the grand concert and ball in the clubhouse at the Littlelands was a great success. The music was furnished by Maygrove's Monte Vista Valley Band and Orchestra.

The following officers of the Womans' Club, Littlelands, were elected for the ensuing year:

President, Mrs. R. W. Maygrove.
Vice-pres. Mrs. Fairfield.
Secretary, Mrs. Heald.
Treasurer, Mrs. Marston.
Auditor, Mrs. Shumway.
Executive Board, Mrs. Darlington and Mrs. Barkley.

Many thanks to the Evening News subscribers who are so kindly contributing news items to the columns of the paper. A paper in a community is what the people make it.

CITY OFFICIALS MAKE THEIR MONTHLY REPORT

MR. PRESTON ASKS AID IN SECURING FLAGMAN FOR SOUTHERN PACIFIC CROSSING—CITY MANAGER CALLS ATTENTION TO WASH—HEALTH OFFICER MAKES RECOMMENDATIONS

The regular meeting of the Trustees of the City of Glendale was held in the City Hall, Tuesday evening, July 6, 1915. There were present O. A. Lane, president of the Board and Trustees Chas. Grist, J. S. Thompson, A. W. Tower and George Williams. There were also present T. W. Watson, city manager; J. C. Sherer, city clerk; W. E. Evans, city attorney; H. B. Lynch, manager Public Service department; G. B. Hoffman, city treasurer. The minutes of the preceding meeting were read and approved. City manager Watson then presented for reading suggestions and recommendations in regard to the budget for the fiscal year beginning July 1, 1915. At the conclusion of the reading of this communication the same was accepted and ordered placed on file. It is as follows:

To the Honorable Board of Trustees, City of Glendale.

Gentlemen: The following suggestions and recommendations in regard to the Budget for the current fiscal year are most respectfully presented, and owing to the varied nature of the services we are called upon to render and there being so many interests to be provided for, it is necessary to give this matter very careful consideration.

The regular running expenses of our city should be fully provided for by placing to the credit of the several departments sufficient funds for their operation for the entire year considering all apportionments with reference to the comparative requirements of each department, also taking into consideration the total available funds.

Contemplated expenditures out of the General Fund for improvements of a permanent nature or any proposed expenditures out of that fund for items not included in the regular running expenses should not be made until after the regular expenses of the various departments are fully provided for in the Budget.

While our fiscal year begins July 1st, the funds derived from the general tax levy for the current year are not due and payable until about October 10th, leaving the expenses of over three months to be taken care of by a balance carried over from July 1st. We have never had a sufficient balance on July 1st to carry over this period.

In order to provide funds to carry us through this period of three or four months, it would be well to add 25% to the apportionments in the Budget for running expenses this year. To carry out the above plan without increasing the tax levy it will be necessary to curtail expenditures in some lines and to devote most of our funds to the regular running expenses of our city. If this plan is adhered to we cannot do all of the things we would like to do but a reserve fund is absolutely necessary to place our city upon a good financial basis.

There will always be two good places to put every dollar that we have at our disposal. That fact makes it necessary to make a very careful distribution of our funds and to have our financial plan well outlined at least one year in advance.

The new bookkeeping system installed this year will give us the necessary detailed cost of operating our several departments last year to enable us to determine very accurately the amount necessary for their operation this year. Said data will enable us to prepare and adopt, if it seems advisable, a financial plan to which we can strictly adhere.

Our city activities may be included in the following four divisions:

First. General Government or Legislative Division, which determines the general policy of the other three divisions, and also includes offices of City Manager, City Attorney, City Clerk, City Treasurer, Auditor and all clerks and expenses pertaining to the same. The expense of this general division should be borne by the other three administrative divisions in proportion, as these divisions require the direction and service of the General Division.

Second. Public Welfare Division, the revenues for which are derived from the general tax levies, licenses and fees, and includes the following departments:

Maintenance and Repairs of Streets, street lighting, Health, Forestry, Fire, Police, Building Inspection and may include all other departments of a like nature.

The nature of the service rendered by this division is such as to require constant legislation, numerous decisions as to policy and a great many hearings, all of which service must be rendered by the General Division before these departments can act. Therefore, at least 60% of the expense of the General Division should be borne by these departments or Public Welfare Division.

Third. Public Works Division, which includes the construction of streets, storm drains, sewer system and all other work of like nature, and is financed by assessment or bond issue. The work of this division must also be authorized by Ordinances and Resolutions and requires a great deal of discussion and numerous hearings before such authorization can be obtained, thus, consuming considerable time of the General or Legislative Body of our city. Therefore, about 20% of the expense of the General Division should be borne by these departments.

Fourth. Public Service Division consists of the Electric Light and Water Departments, and may include any other concerns of a like nature that the city may acquire. While the initial expense of purchasing, reconstructing and extending these departments was provided for by general bond issue, they are, nevertheless entirely self-supporting and require no funds from general taxation. Their revenues are entirely derived from monthly payments made by their patrons for commodities furnished and services rendered. While the extent of the business done by this division measured in dollars and cents is greater than the Public Welfare Division, yet the nature of its service is such as not to require as much of the time of the General or Legislative Division, nevertheless its policies are determined by the Board of Trustees and its activities authorized by Ordinances and Resolutions, and it does require and receives service from the General or Legislative Division and should therefore, contribute its share to the general expense, which I judge should be about 20%.

Under the above plan the expense of the General or Legislative Division would be absorbed by the other three Administrative Divisions in proportion to the services received by these Divisions. I do not at this time think of any plan of exactly determining what these proportions should be, but above are equitable, viz:

60% for the Public Welfare Division.

20% for the Public Works Division.

20% for the Public Service Division.

The present practice of meeting the total expense of the General or Legislative Division out of the general tax levy greatly diminishes the available funds with which to operate the Public Welfare Division, thereby handicapping its several departments and limiting the service that they are able to render to the tax payers and shows the administrative expense of that division out of proportion to its total expenditures, whereas if the General or Legislative expense was distributed proportionately over all the city's expenditures, the amount spent for General or Legislative expense would be shown in its right proportion to the total business done by the city.

I recognize that there are some difficulties in the way of working out the above plan in detail, but I believe that it is generally practical. If it is the desire of your Honorable Body to adopt the general policy outlined above as far as it is practical to the end that we may be able to adequately provide for the regular running expense of our city and at the same time accumulate a reserve fund as outlined in said plan without increasing the general tax levy this year, I most respectfully offer these additional recommendations:

First. That the City Manager's salary for this year be $150.00 per month; $50 of which should be charged to the General or Legislative Division and $100.00 should be charged to the Public Welfare Division.

Second. That the salary of the Building Inspector should be $110.00 per month.

Third. That the Recorder's salary be $50.00 per month; also that the Recorder's Court be located at the City Hall.

Fourth. That the office of Minute Clerk be discontinued and that the City Clerk assume his duties.

Fifth. That the City Marshal's salary be $110.00 per month and that he be relieved of the duties of Fire Chief and Milk Inspector; also that the police headquarters be located at the City Hall.

Sixth. That the Fire Chief's salary be $90.00 per month, he having charge of the City Garage, the Fire Department being credited with whatever time he may devote to Garage work.

CASA VERDUGO

ROUND TRIP TRANSCONTINENTAL MOTORCYCLE TRIP BEGUN BY YOUNG MEN

Promptly at 7 a. m., after breakfast at the Pepper Tree Inn, where they have domiciled for more than two years past, two young business men, R. E. Helman of the Hartfield Hardware company and Wm. Safe of Logan's Espesero de Verdugo, gave gas to their machines and started on a 10,000-mile pleasure trip to Boston on the Atlantic coast and back to Los Angeles.

Seated on twin 1915 Indian motorcycles of the 7-15 type, tuned up to 100 per cent efficiency and polished to the last degree and carrying complete camping equipments, kodaks and traveling outfits, the riders appeared as heroes in the eyes of the friends giving the twentieth century argonauts a rousing send-off.

On their eastward flight on the wings of Pegasus, as it were, they will accomplish in days what took their forebears, the argonauts of '49, toilsome months and untold privation on their westward trek for gold to accomplish. The course of the tourists was north via Bakersfield and Fresno to San Francisco. After spending a week at the Panama-Pacific exposition, they proceed to Ashland, Oregon, where Mr. Helman visits his mother, Mrs. E. V. Jones, a member of the Ohio Helman family that virtually controls the town of Ashland.

Resuming the journey, the nearest route to Yellowstone national park will be followed and the park thoroughly explored. Proceeding, the Lincoln highway will be picked up and followed as far as possible. Denver, Omaha and Chicago will be visited and a stop made at Niagara falls. Thence the route takes them to Troy, N. Y., where Mr. Safe will visit with friends and relatives at the old home. Troy to Boston will be via the picturesque White mountain trail through New England. On leaving the "bean city" around September 15, New York, Philadelphia and Washington will be visited in order, including numerous side trips, and the return to Los Angeles will be across the southern states, Texas, New Mexico and Arizona, the home-coming being scheduled for November 1.

The excursionists have promised to send news of the trip en route, including all happenings of interest or excitement.

Duke Bramman of 1115 North Central avenue died in Chicago on June 13, 1915. His mother, Mrs. Carrey, was notified of his sudden illness by telegram and reached his bedside shortly before his passing. Mr. Bramman bought the Central avenue property last February and remodeled it as a home for his mother. Mrs. Carrey has not yet returned from the East.

The Pepper Tree Inn, 1201 North Central avenue, has been running for some months under the management of Mesdames Weetman and Krentz. Devotees of chicken dinners, American style, manage to find this place in considerable numbers on Sundays.

A number of real estate transactions have taken place during the past few weeks, among which are the following: August C. Pickens has made an exchange of his finely improved acre place at 1429 Stocker street for a twenty-acre alfalfa ranch near Lancaster, Cal., and one-half mile east of the new $30,000 Union high school in a twenty-acre campus, now in course of construction at that place. Ira L, Gorham, formerly principal of the Lancaster public schools and publisher of a newspaper there, is the new owner of the Pickens place, which he now occupies with his father and mother, Mr. and Mrs. R. E. Gorham, formerly of Los Angeles. Mr. Pickens was one of the first investors in the Casa Verdugo Villa tract, a subdivision of 200 lots, and purchased his property from N. C. Kelley in 1906, and has seen it treble in value since then. Mr. Pickens desired to go into the dairy business to live well and provide a place for his three growing boys. He inspected the proposition of exchange for over a year and finally decided that the Lancaster deal was the best one offered for $6000, which is a good boost for the Antelope valley, for Mr. Pickens is a soil, water and general farming expert. He had a model wife and family, with a "grandma," and they all enthusiastically approved of the move.

Chas. W. Saunders of Glendale purchased a fifty-foot lot on the east side of Brand boulevard north of Randolph street, and Chas. W Kent & Son have the contract for the erection of a modern home, and the work is now in progress.

(Continued on Page 2)

PLAYGROUND A MECCA

TROPICO PEOPLE ENJOY MUNICIPAL ATHLETIC FIELDS —OTHER ITEMS

The Tropico playground is the Mecca for all the children as well as grown-ups during vacation days. On Monday afternoon nearly 300 people enjoyed the sports and athletic games and having taken their lunches, remained and enjoyed them under the wide-spreading branches of the pepper trees that afford such a welcome shade and resting place. One of the interesting features of the afternoon was the game of ball played by a picked nine of boys against an equal number of rosy-cheeked, bright-eyed girls. As to who won the game—courtesy forbids a record being made —but the game was won. The entire evening, at which over 500 were present, was devoted to the display of fireworks. Eugene Imler added his large and selected assortment of new and beautiful designs to that provided by other citizens, which was appreciated by Mrs. E. V. Bacon, the manager, and Mr. Kennedy, superintendent of the playgrounds.

The beautiful display closed with a spectacular sham battle in which the participants were Eugene Imler, Thomas Phillips, Berna Martin, Geo. Van Hazelen and Harold Kennedy on the one side and Russell Harrison, Harold Benner, Ralph Ballinger, Leslie Keppler and Joseph Harrison of the Boy Scouts of the opposing. The battle waged on and on with each side gaining, as the beautiful display of fireworks progressed. The scene of the two contending forces and the brilliant pyrotechnic display was thoroughly enjoyed and long after the last skyrocket had burst into wonderfully brilliant colors, the large crowd of spectators were loath to leave the scene of the conflict.

As to which side was victorious will never be accurately determined, but the happy participants care not for their endeavors were certainly crowned with success.

Among the many who attended the patriotic celebration at the Selig zoo Monday were Maj. J. J. Weiler, Mrs. Joseph V. Griffin, Jimmie V. Griffin, Mr. and Mrs. J. A. Thayer, Miss Mabel Thayer, Mr. and Mrs. I. J. Spafford, Miss Ruth Spafford, Mr. and Mrs. Robert M. Sanders, Mr. and Mrs. Wm. Hartwig and Miss Helen Hartwig, Mr. and Mrs. C. L. Peckham and family, Mr. and Mrs. C. C. Chandler, Mr. and Mrs. Harry Turner.

Mr. and Mrs. Robert Danner, Mr. and Mrs. Charles Bruck, accompanied by their children, have returned from a pleasant motor trip to the Sespee, where fishing was enjoyed.

Mr. and Mrs. Norton Marshall, accompanied by William and Martha La Fontaine and Miss Florence Chandler, have returned from a five days' pleasant outing at Venice.

Another charming visitor to arrive at the home of Miss Bess Phillips for a few days' visit was Miss Irene Kleff of Leadville, Colo., a sorority sister of Miss Phillips, who was graduated from Boulder university with Miss Phillips.

Mr. and Mrs. Emery Gates arrived very unexpectedly Tuesday afternoon from their home in San Francisco and are the guests of Mrs. Gates' sister, Mrs. Samuel A. Pollock of West Park avenue.

Mr. and Mrs. H. S. West of Los Angeles were the guests of their daughter, Mrs. Hartley Shaw, and family, of West Park avenue, over the Fourth.

Miss Edith Petty of Ft. Collins, Colo., is the house guest of Miss Bess Phillips. Miss Petty and Miss Phillips are members of the same sorority and graduated from the Boulder university.

Joseph V. Griffin and William La Fountaine of Acacia street motored to Maricopa Sunday on a pleasant outing.

Mrs. R. H. Hanna of Marysville, Tenn., is the house guest of her sister, Mrs. Earl V. Coleman of Blanche avenue.

Mr. and Mrs. John R. Ashton and daughter, Miss Lena Ashton, contemplate leaving the latter part of the week for San Francisco, where they will enjoy a visit sightseeing and attending the exposition. From the northern city Mr. Ashton and family will journey to Chicago for a few days' visit, thence to Niagara Falls, New York, Washington, D. C., Baltimore and then to Philadelphia, Mr. Ashton's former home, where they will remain two years. The many friends and business associates of Mr. Ashton and family wish them a most delightful visit and trust that just as soon as they experience the first twinge of California homesickness they will return to Tropico.

GLENDALE, CALIFORNIA, WEDNESDAY, JULY 7, 1915.

CASA VERDUGO

(Continued from Page 1)

Mr. H. Becker has bought as an investment the new bungalow property at 1011 Melrose avenue from M. E. Van Beuthensen.

The Dresser Photo company of Los Angeles has sold the bungalow property at 1673 Dryden street to L. C. Ward, who has moved in.

Mrs. M. S. Mick, who bought the Wm. Alston place, 1652 Ruth street, has resold the property to Mrs. Lucia Harvey of Decatur, Ills. W. W. Page has taken a lease of the house and moved in.

Henry Lehman has made an exchange of his residence, 1604 Stocker street, for the business known as the Chocolate Shop and located in Mercantile place, Los Angeles. Mr. Lehman retains the lease on the place and will continue to live there.

Mr. and Mrs. Beede of Los Angeles disposed of their home in the Wilshire district and purchased 240 feet of frontage in the Palmer tract, west of Stocker street, where they are rusticating in temporary buildings.

Orpha Eastman of Los Angeles has purchased the property at 1657 Ruth street, a fifty-foot lot and a six-room bungalow.

The charm of real California life on the slopes and close to the skirts of the foothills amid the fruit trees and bowers of vines and flowers, with the blossom-scented breezes, drone-laden air and mockingbird concerts, has lured many families to Casa Verdugo during the past six weeks, as follows: J. Frank, 1116 Melrose avenue; L. F. Drake of the Hellman Commercial and Savings bank, Los Angeles, at 1112 Melrose avenue; J. L. Brown, a candy manufacturer of Los Angeles, at 1212 Viola street, tenant; Alma Olson and family, 1653 Dryden, tenant; Jas. D. Horton and family, 1659 Dryden, owner; S. F. Manson, 1643 Dryden, owner; H. A. Brown, 1598 Dryden, owner; Jas. R. Miller, manager of the Glendale laundry, at 1660 Ruth street, tenant; W. E. McComb, tenant, at 1659 Ruth street; Mr. Mead and family, tenant, at 1648 Ruth street. H. Van Bentheusen and family have leased Mrs. Rose Coughran's furnished house at 1620 Ruth street during the owner's absence for some three months. On Valley View road Mr. and Mrs. Seibolt of Los Angeles have leased No. 1243, known as La Quinta. On Lorraine street two Los Angeles families have leased houses—Mr. and Mrs. Weir at No. 1620, and Mrs. McLean and family at No. 1524.

Only two removals have been noted. Mr. Edward Dourte and family, who came to Casa Verdugo some two years ago, left Sunday morning to return permanently to Philadelphia, the old home. Mr. Dourte resigned his position with Bishop & Co. of Los Angeles. Mrs. Alice Herr and family returned to Los Angeles from 1600 Stocker street.

A. C. Robinson and son, Ivan, who have just completed pipeline extensions and pumping plant contracts with the North Glendale Distributing company, whose water supply and facilities have been more than doubled by the new work, left Tuesday morning for an antimony mining property in which they have recently acquired an interest. This product from the sulphites of the mineral stibnite is much sought after by the manufacturers of ammunition for the warring nations of Europe. There is said to be big money in it for those who can deliver the goods.

W. H. Riley is erecting a large wooden building on the alley in the rear of his lot, No. 1098 San Rafael street. Mr. Riley is planning to start the Casa Verdugo paint factory therein soon.

Merrill Brothers are not making normal progress with the paving contract on Central avenue owing to the slow delivery of crushed rock for the roadbed. Meanwhile the thick dust created by the work and also caused on the side streets by extra travel on them, tests to the limit the Christian virtues of the housewives.

Lee Adams, county road foreman for the Casa Verdugo district, left this morning with Mrs. Adams in their machine for a week's vacation.

The executive committee of the Central avenue school met Friday afternoon with Mrs. N. C. Kelley, 1117 Melrose avenue, retiring president of the Parent-Teacher association of that school, to consider work in cooperation with the raising of funds for the playground instructors during the summer vacation.

Tuesday the children of the Central avenue school enjoyed their first professionally directed playing. There was a good turnout and keen interest manifested by the children in the new system.

Young America in Casa Verdugo celebrated with vim and vigor, as far as permitted under the "safe and sane" sentiment of the time, the Glorious Fourth. It seems hardly fair for the daddies to boast of the rip-roaring, zip-bang Fourths they used to celebrate and then not to give the youngsters a "peek-in." With more freedom to express their patriotism in noise in the county limits, the Casa Verdugo boys burned much powder in "cracker" form during the day, while in the evening numerous family celebrations sent up considerable money in smoke from rockets and candles, though of course giving but a pale imitation of an old-time Fourth.

NORTH GLENDALE

Mr. and Mrs. Edgar Dourte and son Bruce who for the past two years have resided in North Glendale, left Sunday evening via the Salt Lake Route for their former home in Philadelphia where they will remain. Mr. Dourte's health being so poor that he desired to be near the other members of his immediate family.

Mr. and Mrs. George H. Marsh of 1645 Ruth street entertained as their guests over the Fourth of July Mrs. Marsh's parents, Mr. and Mrs. Andrew E. Wilbur of San Gabriel and Mrs. Joseph Small of the La Verne Apartments in Los Angeles.

Miss Blanche Langdon of Artesia was the guest of her sister Mrs. B. W. Ary of North Pacific Avenue over Sunday.

Mrs. Harry Longland of 1001 San Rafael street left for New Jersey Sunday evening where she will join Mr. Longland and after a short visit with relatives will go on to their former home in Penn., near Pittsburg where Mr. Longland has secured a permanent position.

Mr. J. C. Rice of 1623 Ruth street with a party of relatives from Los Angeles enjoyed a hike up Mount Wilson Sunday night where they remained over the Fouth, coming home Monday evening.

Mr. and Mrs. Edward Seay and son Edward Jr., of San Rafael street with Mrs. Van Deccar, Mrs. Lillian Judd and Miss E. Burt, Miss Murial Swaggert, William Rees and Roy Pittman motored to Moor park last Saturday where they enjoyed camp life over the Fourth.

Dr. and Mrs. J. E. Eckles and children of 920 North Central with Miss Dorothy Young and Mr. J. E. Howes formed a merry party who picniced in Griffith Park last Monday, reporting amost enjoyable day.

Cuba is thriving because it steadfastly refrains from Mexicanizing itself.

Cashier.

Severally subscribed and sworn to before me by both deponents, the 7th day of July, 1915.

(Seal) JOHN A. COLE,
Notary Public in and for said County of Los Angeles, State of California.

LA CANADA

Mr. and Mrs. A. A. Lester are spending a few days at Balboa. Mrs. Lester has been entertaining Mrs. Fuller of Los Angeles as her house guest during the past week.

Mr. Harold Gould broke his ankle Monday while playing baseball in Sunland.

Twenty-two young people from the Christian Endeavor society enjoyed their outing in the mountains. They made Switzer's camp their headquarters, reaching there on Saturday. On Sunday morning four energetic ones, namely, Katherine Hegeman, Clara Mittleholtz, Tyler Vandegrift and Allan McConnell, took a trip to Strawberry peak, while Mr. J. W. Seright and George Burdtstaff took the same trip on Monday. A Christian Endeavor meeting was held at sunset Sunday evening on Mt. Washburn. The trip was thoroughly enjoyed by all and the young people are planning a similar trip for the near future.

The La Canada Thursday club held its annual picnic at the home of Mrs. Frank D. Lanterman of Homewood avenue. The beautiful live oak grove which surrounds the Lanterman home is an ideal place for outdoor entertaining and the Thursday club is very fortunate to have this privilege.

There will be a district meeting of the La Canada school district at the schoolhouse Saturday afternoon at 2 o'clock. This meeting is to discuss plans for a new school building and everyone interested is requested to be present.

A nice assortment of new books has been added to the library during the past week.

Mr. James T. Penfield of Hillard avenue has purchased a new Ford touring car.

Mr. and Mrs. Hubert Bentley of Texas street returned Friday from their trip to Honolulu. Friends of the young couple expressed their delight at the return of Mr. and Mrs. Bentley by giving them a charivari that evening.

The Improvement association held its annual election of officers Saturday evening and the following officers were elected for the coming year: President, Rev. E. H. Brooks; vice-president, P. H. Johnson; secretary, Frank Granger; treasurer, W. G. McMullin; auditor, E. A. Brigham; executive committee, E. A. Brigham, chairman; A. G. Williams, R. G. Lyons, W. R. Jewett and H. L. Cooper. Mrs. R. S. Lanterman gave a history of the valley, which was very interesting, especially the legends concerning the Indians who formerly lived in the valley. Mrs. Lanterman also had the original deed signed by President Andrew Johnson. Mr. E. G. Metcalf gave two fine violin solos, accompanied by Mrs. P. H. Johnson.

Mr. and Mrs. H. L. Cooper and Miss Martha Herrington took an automobile trip to Santa Barbara on Sunday returning to La Canada Monday.

The Parent-Teacher association is to hold a vacation rally at the home of Dr. R. S. Lanterman on Friday, July 9th, from 2:30 to 5 p. m.

ABOUT GLENDALE PEOPLE

Mr. C. H. Allison of Allison & Berry Co., well shooting, 1029 Fairview avenue, came to Glendale four years ago from Bakersfield, Cal., and has been in business here four years.

In the Bank of Glendale, Broadway and Glendale avenue, Mr. F. H. Vesper, who is the president of the bank, came here from Northern Iowa seven or eight years ago. Mr. C. M. Walton, vice-president, came from the Hawaiian islands, where he had a large sugar plantation, several years ago. Mr. Herman Nelson, cashier, came to Glendale from Northern Iowa three years ago and has been associated with the bank that length of time.

Mr. J. C. Beldin of the Beldin sheet metal works, 445 South Brand boulevard, came to Glendale nine years ago from Los Angeles, where he had been a resident for many years. He opened a shop here about nine years ago.

Mr. George H. Bentley, manager of the Bentley-Schoeneman Lumber company in Glendale, situated at 1022 West Broadway, came from the San Joaquin valley of California about a year and a half ago, having lived in different parts of the valley for many years. He has been manager of the lumber company for about fifteen months.

Mr. S. Berman, the Yale tailor of 322 Brand boulevard, came to Glendale about four years ago, after a residence of several years in Los Angeles. He has been in the tailoring business ever since coming to Glendale.

Of the firm of Borthick Brothers, real estate, 546 South Brand boulevard, S. L. Borthick came from Warrensburg, Missouri, a little over nineteen years ago, and W. E. Borthick came from the same place about nine years ago. They have been associated in the real estate business for the past nine years.

Mr. LeRoy W. Bosserman of the Bosserman Hardware company, 339 South Brand boulevard, is a native of Indiana, having come to Glendale only about two years ago. He opened the hardware store two years ago.

Mr. Frank P. Wilkin, proprietor of the Bungalow Grocery, Broadway and Central avenue, has lived in Glendale three and a half years, having come to Los Angeles from Salt Lake City, Utah, seven years ago. He has been connected with the grocery ever since his arrival in this city.

MRS SLOAN TO GIVE PROGRAM

The W. C. T. U. of Glendale takes great pleasure in announcing the fact that on the evening of Monday, July 19th, at the Congregational church, Mrs. Coral Harrison Sloan will give a program of readings and musical numbers. Mrs. Sloan is to be assisted in this program by some of her talented pupils, whose names will appear later.

No admission fees will be charged but at the close of the program a silver offering will be taken, the same to be used exclusively for W. C. T. U. work.

WAS CHIEF'S COAT STOLEN?

On account of his activity in connection with the destructive fire on Stanley Avenue, Monday night, Chief Herald forgot all about his overcoat which was left on the fire truck. The fire fight occupied more than two hours and when all was safe the Chief looked for his coat but it was gone and all search has failed to reveal its whereabouts. Chief Herald, drenched to the skin, missed his coat sorely Monday night and is still mourning its loss. He will be glad to have it returned. It seems a pity that any of the city firefighters should suffer for doing their arduous duty.

STORE TO CLOSE

Logan's Espesera de Verdugo, corner of Central and Stocker streets, will close on Sundays hereafter, beginning next Sunday.

OUTING AT HERMOSA

Mr. and Mrs. Mattison B. Jones and daughter, Miss Winifred, spent the week end at Hermosa Beach. This resort is steadily growing in popularity and they found many celebrities there, among them Mrs. William Jennings Bryan Jr., whom they found to be a very sweet and modest little woman and an ideal mother to her three little girls, all under five years of age. They very very much enjoyed becoming acquainted with her and with several other persons of more than local fame who were enjoying the delights of Hermosa.

PERSONALS

Mr. E. J. Roberts is a guest of Mr. and Mrs. Wash Hunt at the De Luxe apartments.

F. W. Sanford left for San Francisco Wednesday evening of this week to spend a week at the Exposition.

Mr. and Mrs. C. B. Wilde and children of 238 South Louise street are spending a couple of weeks at Long Beach.

Mr. and Mrs. Weaver, 235 South Kenwood, along with Mrs. Sadie Ream, spent the Fourth at Venice and Ocean Park.

Mr. and Mrs. A. L. Weaver, 235 South Kenwood, leave tomorrow for a two weeks' vacation in San Francisco and its vicinity.

Mrs. E. A. Bayley, 432 South Louise street, and daughter Edith, have returned to Glendale from a five weeks' vacation at Coronado.

Mrs. M. L. Weaver, 301 South Kenwood, is entertaining as house guest her sister, Mrs, Sadie Ream and her niece, Miss Pearl Ream of Louisberg, Penn.

Mrs. J. H. Cooper and son Robey of Handford, Cal., are visiting at the home of G. O. Fowler, of 1230 Chestnut street and Mrs. C. B. Lane, Glendale.

Mrs. Dr. Colin Cable, 755 Columbus avenue, was the guest, Monday, of Mrs. LeRoy W. Bosserman and Mrs. L. B. Ashton, on a trip to the beaches.

Mrs. F. W. McIntrye, 321 Cedar street, accompanied by Miss Mae Hartwell of Los Angeles, made a trip to San Diego last week, visiting the exposition and the local points of interest.

Dr. and Mrs. H. G. Martin, and Mr. and Mrs. Howard Oswald motored to Sulphur Springs on the Santa Pala river, spending Friday, Saturday and Sunday camping. They found the fishing good.

Mrs. J. M. Border of 231 South Louise has been entertaining her cousin, Miss Edith Sudlow of Newton, Iowa. Miss Sudlow left Tuesday for Pomona for a visit with friends before returning to her home in the East.

Mrs. H. E. Bartlett of 101 South Brand entertained Tuesday, her sister, Miss Patrick of Santa Barbara and Mrs. C. W. Wells and Miss Blanche Wells of Minneapolis who are house guests of Mr. and Mrs. J. H. Braly.

Mrs. Norma Rockhold Robbins, one of the patronesses of the local Zeta-Tau-Alpha sorority, will sing, this morning, at the opening session of the national convention of that sorority, now being held at Hotel Virginia, Long Beach.

H. L. Grafious, former business agent for the Carpenter's union who was injured about a month ago while working at his trade is now able to be around the house. J. H. DeMuth whose phone number is 454 is now looking after the interests of the union and anyone desiring union carpenters should confer with him.

The Rev. E. H. Willisford, D. D., returned last night from a trip to San Diego, Chula Vista and La Jolla. At La Jolla, Dr. Willisford, who is chairman of the summer playgrounds committee of Glendale, was much interested in the excellently equipped playground and buildings that Miss Scripps has donated to the La Jolla school at an expense of $180,000..

Los Angeles County Floral Parade in honor of visiting Elks wi'l be held on July 14th. An invitation is extended to anyone so desiring to enter decorated machines in this parade. Somewhere on the machine must be displayed the word "Glendale." Notify Chamber of Commerce if you desire to make an entry. Phone Glendale 904.

The W. P. Snow and Dennison families of 817 Lomita Avenue spent the Fourth of July at Arch Beach, as guests of W. C. Stone and Mrs. Stone. Arch Beach, which is about a mile and a half farther south than Laguna Beach, is reached from Santa Ana by stage. It is a beach with considerable property restrictions. Each piece of property has its own private beach and with a new water supply and excellent stage service Arch Beach is becoming more popular every day.

CHAMBER OF COMMERCE

The regular monthly meeting of the Chamber of Commerce will be held at the Chamber of Commerce building 1011 W. Broadway, Friday, July 9th.

The Executive Committee passed a resolution, that the meeting be called to order at 7.45 and adjourned without motion 9.45. Important reports are expected from committees.

Come, you will be interested in this meeting.

ENJOY CAMPING TRIP

Mr. and Mrs. John J. Graf and daughter Florence, Miss Lillian Eaton and Mr. and Mrs. Kerker arrived home at midnight on Monday after a delightful camping trip above Arrowhead Springs, to which point they motored in their machines, enjoying the beautiful scenery all the way.

BURBANK NEWS

Munn's Tigers were with us last Saturday and gave fans an object lesson in what a ball team can do when harmony reigns.

I won't go so far as to say that this was a continuous performance, for at times the old machine rocked like a ship in distress, but Burbank not to be outdone in generosity, was trying to pull off more errors on shorter notice—No doubt you've all had the pleasure at some remote time of trying to pass an approaching stranger on a narrow path, each moving aside for the other, not on opposite sides of the path but dodging at each other, back and forth till one finally tired to the extent of stopping, when it was easy for the other to come and get by—

That's the way the game Saturday looked. For two innings Munn's slept while Burbank in the first got a run across when Max stalled for a walk, stole second, took third on Foster's fly to right and came home on Hasty's bunt.

In the second the bases were loaded up all right but the man behind the expected hit, couldn't.

Along about this time, in the third to be exact, the Tigers began to growl.

Our sub. second miscued, pitch duplicated and a runner came in when the returned ball to pitch failed to stick.

The next hitter thought this not so bad so slammed a smoker through pitch and another tally was chalked up.

After that they rested for a few innings while the Burbank batters took batting practice, which for a few innings didn't amount to much. A man would walk to the plate, the umps would say; going, going gone and another would take his place.

But in the seventh our third sacker hit for a brace, took third on an overthrow and scored on a hit by Foster through short.

As a come back the Tigers got a man on, then started laying bunts down the first base line and before the defense secured more ammunition the old ball game looked mighty lop sided to loyal rooters.

We have the satisfaction however, of watching the play same as the team did.

None of the pinch hitters have lived up to expectations thus far, hence when Eaves went to bat for Burbank in the pinch he ingloriously fanned as did Casey on that memorable occasion along in 1776.

Another name is added to the list of injured—It's a lucky thing, if you'll notice, no one gets hurt in, on, of near the sky piece, it's the players feet that suffer—

I believe it would be a safe bet to wear blinders on their shoes.

Have heard of too much ginger but never before of too much mustard, but they tell me that's what does it.

If you have the heart to look it over here is the score:

Score

Munn's Tigers 5

Burbank 2

Batteries for Burbank—Malarky and McNutt.

—

The many friends of W. S. Walker will be sorry to hear that he is very sick and is confined to his home at 553 Olive avenue with a general nervous breakdown.

Mr. Walker, who was formerly in business in Glendale, has been a leading spirit in the progressive activity which has marked the steady growth of our city in the past few years and has been untiring in his efforts to help push the general welfare of Burbank to the front.

Mr. W. S. Walker, our popular dry goods merchant is cleaning the grounds for his new business block and work will begin on the new structure at once. The building will consist of three store rooms and when completed will be modern in every particular and will add greatly to our rapidly growing city. The architectural design is of the very latest, the outside of the building will be furnished with old gold colored brick, trimmed with white tile.

Miss Louise Laurance left Wednesday morning for Long Beach where she will visit friends and enjoy the sea breeze for a week or ten days.

Mrs. I. G. Glenn, Myron G'enn, Ernal Lindesmith, Elane Lindesmith, and Margaret Valentine returned Tuesday evening from San Diego, where they have been enjoying the sights at the fair for the past week. All report a very pleasant trip.

Mrs. Eugene Hart of Clinton, Missouri, who has been the guest of Mr. and Mrs. C. E. Davidson of Olive avenue for the past three months left Thursday night in company with Mr. and Mrs. Davidson for San Francisco. After visiting the fair for a week Mrs. Hart will leave for her home in Missouri.

Mrs. Hart was very enthusiastic in her praise of Burbank and its future prospects and is sure it will forge to the front as one of the leading suburban towns adjacent to Los Angeles.

Evangelists Blunt and Saunders of Los Angeles, who are conducting a revival meeting at Home's Hall are creating quite an interest here in their church work. Rev. Blunt is a very able speaker and Prof. J. Robert Saunders, the concert violinist, is a musician of some note and taken together they make a very fine team and are doing a great good for our community. The topic for Wednesday night will be, "God's Square and Compasses," Thursday night, 'A Crime and the Criminal."

Miss Lucy Shelling of Verdugo avenue has accepted a position in the First National bank. Her many friends join in wishing her success.

Miss Winifred Eichan of Washington is spending the summer with her mother, Mrs. Eichan of Orange Grove avenue.

The regular meeting of the Board of Trustees of the City of Burbank, was held in the City Hall Tuesday at 1.45 p. m., with W. A. Blanchard, President, C. H. Kline and W. F. Craig present.

Minutes of the previous meeting read and approved. On account of the absence of two members the pending ordinances and resolutions were laid over until next meeting.

The following bills were approved by the auditing committee, were allowed and warrants ordered drawn in payment of same.

General Fund:

Victor T. Watkins, $40.00.
M. C. Paxton, $10.00.
C. A. Pogue, $28.12.

Respctfully Submitted

T. W. WATSON, City Manager.

CITY TRUSTEES

(Continued from Page 1)

Seventh. That the Office of Sanitary Inspector be created, which office shall also include Milk Inspector, and the Appointee to that office shall also be a Police Officer at a salary of $75.00 per month.

As soon as all the figures are available, I will prepare the Budget for this year and present same for your consideration, and after it has been so adjusted as to meet with your approval, I would most respectfully recommend that said Budget be embodied in a resolution and adopted by your Honorable Body, thereby making it the official financial plan for the year.

Most respectfully submitted,

T. W. Watson

City Manager.

T. W. Preston was present and asked the Board of Trustees if they would be willing to join with the Board of Trustees of Tropico and Burbank and ask the Southern Pacific Railroad company to provide a gate and a flagman at the point where the Los Feliz road crosses the Southern Pacific railroad near the Tropico lumber yard. Mr. Preston stated that the present arrangement of a bell giving an alarm of danger is not satisfactory. He said the bell continues to ring while an engine may be doing switch work for a period of half an hour when there is really no danger at the crossing and yet since the ringing bell denotes danger vehicles are not supposed to cross the track while the bell is ringing. He said the only safe way is to have a gate and a man to open and close the same. The Board concurred with him in his suggestions and will take the question up for further consideration at a later date.

The City manager presented his monthly financial statement and the same was received and ordered published elsewhere in this issue of The Evening News.

The Building Inspector's report for the month of June was read, showing that J. M. Banker, the inspector, had issued 28 building permits, the total amount of which was $19,460 and the fees received in the city treasury for the same were $110.91.

The report of the city recorder, J. Whomes showed that he had paid into the city treasury during the month of June, $178.50.

These reports were on motion received and ordered placed on file.

The city manager recommended that a bill of $3 for lighting Verdugo Park for the month of June not be allowed. It is his opinion that the park is a private enterprise and that the management of the park should pay for the necessary lighting. This recommendation was the occasion of considerable discussion as to the advisability of encouraging large crowds to assemble in the park so long as the stream of water which flows through the park is unprotected. Members of the Board suggested that the water should be conducted through the park in a large pipe so constructed that the seepage from the surface could not pass through the pipe. On motion the recommendation of the city manager was concurred in and the electric light bill of $3 was ordered not allowed.

The city manager also called the attention of the members of the Board to the condition of the Verdugo wash at a point west of where Glendale avenue road joins Verdugo Road. The city manager stated that the wash is filled up with sand and debris to such an extent that if a great flood should come the water would overflow the banks and flow through the city. He thinks the attention of the citizens of Glendale should be called to the condition of the wash at this point as it is something that every citizen of Glendale should be interested in and special arrangements should be made to raise money to put the wash in safe condition. On motion it was decided to report the condition to the Chamber of Commerce suggesting to them that they visit the wash at this point and they together with other citizens of Glendale discuss ways and means of raising money to defray the expense of repairing the wash.

Dr. R. E. Chase, the city's health physician was present and talked at length on several important health questions. He recommended that the city devise means to purchase antitoxin at a reduced rate so that the city may be able to furnish the same in instances where afflicted families are not able to pay for it themselves. He also recommended that the city trustees appoint a sanitary inspector whose duty it should be to visit all homes and store rooms and see that cess pools and plumbing connections are in good condition. Dr. Chase made many valuable suggestions to the Board and showed himself thoroughly interested in the cause of good health for the people of Glendale. On motion the health officer was instructed to enter into arrangements with the manufacturers of anti-toxin to procure it at reduced rates to be used in instances as referred to above.

H. B. Lynch, manager of the Public Service department reported that steps will be taken at once to install the drinking fountains ordered installed several weeks ago.

City attorney W. E. Evans advised the city officials to use great care in the acceptance of deeds in instances in which property is deeded to the city for street purposes. He stated that these deeds in all instances should show a clear title for if they do not in future years when street improvements are to be made, it will be impossible to get contractors to do the work unless the streets on which the work is being done have clear titles.

An ordinance was read establishing the grade on Lincoln Place. The ordinance is published elsewhere in this issue.

On motion the city clerk was instructed to transfer $500 from the street fund to the general fund and to transfer $63.61 from the dog fund to the general fund.

Adjournment was made to meet in adjourned session at 7.30 o'clock, Wednesday evening, July 7.

ORDINANCE NO. 272

AN ORDINANCE OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ESTABLISHING THE GRADE ON LINCOLN PLACE, ETHEL STREET AND FAIRVIEW AVENUE IN SAID CITY.

The Board of Trustees of the city of Glendale do ordain as follows:

Section 1. That the grade of Lincoln Place from the East line of Louise Street to the East line of Glendale Boulevard Tract, as per map recorded in Book 6, Page 184 of Maps, Records of Los Angeles County, California, be and the same is hereby established as follows, to-wit:

At the intersection with Louise Street the grade shall be

591.00 at the Northeast corner, and

590.89 at the Southeast corner.

At the intersection with the East line of said Glendale Boulevard Tract the grade shall be

604.73 on the North line, and

604.52 on the South line.

That between these points the grade shall conform to straight lines joining those points on the same lines.

Section 2. That the grade of Ethel Street from the East line of Louise Street to the East line of aforesaid Glendale Boulevard Tract be and the same is hereby established as follows, to-wit:

At the intersection with Louise Street the grade shall be

593.30 at the Northeast corner, and

593.40 at the Southeast corner.

At the intersection with the East line of said Glendale Boulevard Tract the grade shall be

603.00 on the North line, and

602.50 on the South line.

That between these points the grade shall conform to straight lines joining those points on the same lines.

Section 3. That the grade of Fairview Avenue from the Westerly Boundary line of the City of Glendale to the East line of aforesaid Glendale Boulevard Tract be and the same is hereby established as follows, to-wit:

At the intersection with the Westerly boundary line of the City of Glendale the grade shall be

580.40 on the North line, and

580.70 on the South line.

At the intersection with Louise Street the grade shall be

589.90 at the Northeast corner,

589.00 at the Northwest corner,

589.30 at the Southwest corner, and

589.40 at the Southeast corner.

At the intersection with the East line of said Glendale Boulevard Tract the grade shall be

604.20 on the North line, and

604.40 on the South line.

That between these points the grade shall conform to straight lines joining those points on the same lines.

The grades given are in feet above the City Datum Plane and are established on the property lines of the streets.

The Profiles of said streets designated and marked: Lincoln Place, Profile Number 248; Ethel Street, Profile Number 465, and Fairview Avenue, Profile Number 465, on file in the office of the City Engineer of the City of Glendale, which more particularly exhibit the grades herein described, are hereby declared to be the official profiles and to exhibit the established grade of said streets.

Section 4. The City Clerk shall certify to the passage of this ordinance and shall cause the same to be published once in the Glendale Evening News, and thereupon and thereafter it shall take effect and be in full force.

Adopted and approved this 6th day of July, 1915.

(Seal) O. A. LANE,

President of the Board of Trustees of the City of Glendale.

Attest: J. C. SHERER,

City Clerk of the City of Glendale.

STATE OF CALIFORNIA)

County of Los Angeles)ss.

CITY OF GLENDALE)

I, J. C. SHERER, City Clerk of the City of Glendale, do hereby certify that the foregoing Ordinance was duly adopted by the Board of Trustees of the City of Glendale, State of California, and signed by the President of said Board at a regular meeting thereof held on the 6th day of July, 1915, and that the same was passed by the following vote, to-wit:

AYES—Grist, Lane, Thompson, Williams.

NOES—None.

ABSENT—Tower.

J. C. SHERER,

City Clerk of the City of Glendale.

274t1

MEETING OF W. C. T. U.

What is certain to prove an interesting meeting of the local chapter of the W. C. T. U. will be held, Friday afternoon, July 16, at the home of Mrs. James Wasson, 545 East Acacia street, Tropico. The meeting will be opened promptly at 2.30 p. m. The program will include a brief biographical sketch of the National President of the W. C. T. U., Miss Anna Gordon, and also the new state president, Mrs. Stella B. Irvine. There will be an instructive quiz; popular readings; the usual study in government and the Bible lesson. Tropico ladies are specially invited to attend and all visitors will be welcome. Bring your song books.

There is no gem on earth quite so precious as good health.

To be successful in a business way, one must concern oneself about outgo as well as income. The fifty-thousand-a-year income with the fifty-one-thousand-a-year outgo is no nearer business success than the thousand-dollar-a-year income and the eleven-hundred-dollar-a-year outgo.
